A Day's Work

An award-winning movie documenting the tragic death of a temporary worker on his first day at work!

“A Day’s Work” is a documentary film that examines the tragic workplace death of 21-year-old Lawrence DaQuan “Day” Davis. 90 minutes before he was killed on his first day of work as a temporary employee, 21-year-old Day Davis texted a picture of himself to his girlfriend, excited for their future. Now Day's sister, 17-year-old Antonia, searches for answers. An investigation reveals the troubling issues that led to Day's death and how the \$100 billion temporary staffing industry is putting millions of American workers at risk.
