1) A brief statement about your office generally (e.g., mission, jurisdiction, size, nature
of practice, etc.)

The mission of the New York State Office of Temporary and Disability Assistance
(OTDA) is:

- To enhance the economic security of low-income working families
- To assist work-capable public assistance recipients in achieving entry into the
  workforce
- To assist individuals with priority needs other than work-readiness in accessing
  appropriate benefits and services
- To enhance child-wellbeing and reduce child poverty

OTDA’s purpose is to oversee a range of the State’s most important programs for its
low-income residents, with a focus on employment wherever possible, and to provide
leadership, guidance and support to local departments of social services in the
administration of those programs.

OTDA is measured by the extent to which it (1) assists welfare recipients and potential
welfare recipients in entering employment; (2) promotes access to economic supports
for low-income working New Yorkers; (3) connects individuals with special needs to
appropriate services; and (4) helps to reduce child poverty.

The mission of the Office of Legal Affairs is to establish and interpret legal policy for
OTDA and provide legal advice and counsel to OTDA’s programs and administrative
support divisions, local social services districts, and other appropriate agencies in
connection with the policy development and program implementation processes. The
Bureau of Child Support and Homeless Services is one of four bureaus within the Office
of Legal Affairs and currently has five attorneys, two of whom exclusively support the
Division of Child Support Enforcement (DCSE), two others who support the Bureau of
Housing Services (BHS), and one attorney overseeing both programs.
