Topics & Descriptions

Albany County/NY CONNECTS: Choices for Long-Term Care

From transportation to long-term care facilities—who to contact, where to go, what's available in your area to meet your needs.

Alzheimer's Disease: What You Should Know

Understanding the diagnosis, treatment and prognosis—what should you expect during each stage of the disease.

Choosing a Nursing Home for Your Loved One

Tips on assessing a facility.

Driving With Confidence

Learn resources and tips for keeping your skills sharp; what your recourse is for someone who is no longer a safe driver.

Estate Planning

Learn the strategies and choices for distributing the assets in your estate.

Future Care Planning for Adult Disabled Children

Learn what tools are available to provide for your adult disabled children with special needs and how you can protect them if something should happen to you.

Getting Started with Wills: What You Should Know

Making, changing and revoking wills; interactions between a will and a trust; the role of probate.

Health Care Proxies and Living Wills

Learn how to control your medical treatment; delegate your decision-making authority and preferences.

Home Repairs: How to Choose a Contractor

Don't fall victim to scams. How to get the service you need without putting yourself at risk.

How to Survive a Money Crunch

Learn six steps to gain financial control, prioritizing obligations, gaining control of the situation, and working with your creditors.

How to Talk to Health Care Professionals

Tools for promoting effective communication between you and the health care provider.

Identity Theft

Know your vulnerabilities and how to protect yourself.

Managing Your Retirement Income

Learn strategies for maintaining a stream of income as well as investing for growth during retirement.

Medicaid

Eligibility planning techniques; the use of real property to recover Medicaid expenses.

Medicare

Find out what is covered and the limits of Medicare coverage, both generally, and for prescription drugs.

Office of the Attorney General— Consumer Resources

Learn about how the Attorney General's office can help you.

Powers of Attorney

Creating Powers of Attorney and understanding the benefits and consequences.

Pre-Planning for Funerals

Learn how to insure that your wishes are carried out and what you should be aware of when making plans with a funeral home.

Preventing Stock Broker Fraud

Learn tips to protect your investments.

Pro Bono Senior Clinic

Make an appointment for a one-on-one meeting with an elder law attorney. (Register on the morning of the event.)

Protecting Yourself from Financial Fraud

What to do if you think someone is taking advantage of you financially.

Putting Your Affairs in Order

Learn what this commonly heard phrase really means for you and your family.

Reverse Mortgages

Learn about the pros and cons of accessing the equity in your home.

Rights to Medical Privacy

Who has access to your medical records? What information is confidential? Facts about HIPPA and what you can do if you need to speak to a doctor on behalf of your spouse or loved one.

Securities Arbitration Clinic/Investors' Rights Project

Make an appointment for a one-on-one conversation with an attorney about your financial rights as an investor. (Register on the morning of the event.)

Senior Housing Options

Learn about available housing alternatives and the choices they present.

Small Estates

Saving time and money with estate planning; steps to take if you or a spouse become ill; the importance of planning.

State Office for the Aging Resources

Learn about the information and services available from this state agency, whose goal is to help seniors and their families.

Trusts

Learn about different types of trusts and the strategies in choosing to use a trust.
