The topic and the arrangement for fulfilling the writing requirement, however, must be approved in advance by the Concentration Advisor. The paper could be written to fulfill the requirements of a course, an independent study, or a law journal note and comment. It may also be possible to fulfill this requirement by completing a substantial piece of writing in conjunction with an experiential course, clinic, or Field Placement, such as a brief, a series of Motions, or a significant legal memorandum. It could also be fulfilled by writing a paper independently, such as a submission to a writing competition or an article for publication. In all of these arrangements, the prior approval of the Concentration Advisor is required.
