POLICE DEPARTMENT LIAISON - POLICY REVIEW/RECOMMENDATIONS

At the Board's May 13, 2010 meeting, OPS Commander Ronald Matos updated the Board with regard to the Early Warning System and its Standard Operating Procedure (SOP). Commander Matos informed the Board that training materials and the Blue T Module were delivered to APD supervisors on April 1, 2010. The Blue T Module is a software package that allows supervisors to enter field incidents into the system. Commander Matos also informed the Board that the SOP was not finalized. The Board asked Counsel to the Board William Kelly, to help define the roles that the SOP for the Early Warning System and cameras in the police vehicles play for the Board. The Board agreed that it needs to be established what they get to see and when they get to see it. The Board requested that OPS let them know if they would be able to review the tapes for active cases before the Board.

During its June 24, 2010 meeting, the Board discussed with OPS Commander Matos the change in complaint review. The OPS is no longer going to include the history of complainants in case files, including criminal histories, when the Board reviews complaints. The Board discussed the change and how it would impact the review process.

PUBLIC OFFICIAL LIAISON

On June 1, 2010, the Board met with the Common Council's Public Safety Committee. At that meeting, the members of the Public Safety Committee were introduced to the Board's new additional monitors. The Committee will vote on the appointment of the new monitors at its next Common Council meeting. During this meeting, the Board updated the Committee on the statuses of its four (4) initiatives: grievance forms; video cameras in police vehicles; Early Warning System; and the Mediation Program.

During the third quarter of 2010, the Board also planned to schedule a meeting with Deputy Mayor Philip Calderone for the fourth quarter of 2010.

TASK FORCE ON MONITORS

During the third quarter of 2010, the Common Council's Public Safety Committee approved the five (5) new CPRB monitors. The Board now has ten (10) monitors. The new monitors underwent training at the GLC. The training session was also attended by the Board's current monitors. The meeting focused on the monitors' protocol and the relationship between the monitors and the OPS.

At its June 24, 2010 meeting, the Board discussed the varying quality of monitors' reports it had been receiving. Some of the monitors were attending interviews, while some were missing interviews and, therefore, were unable to include their observations in reports. The Board discussed the possibility of OPS including in preliminary reports whether or not monitors had attended the interviews. Commander Matos agreed to consider including the information on OPS preliminary reports. The Board requested copies of APD SOPs for its monitors and updated SOPs for the Board members.

MEETINGS

The Board met as a whole three (3) times for the conduct of business during the third quarter. Meetings were held on May 13, 2010, June 10, 2010 and June 24, 2010. All three (3) meetings were held at the Albany Public Library, 161 Washington Avenue, in the Large Auditorium. There was a public comment period at each meeting. Due to conflicting summer vacation schedules, the Board did not meet in the month of July.

The Board meets on the second Thursday of every month so as not to conflict with the monthly meetings of the County Legislature, and to encourage media and public participation at its meetings.

TRAINING

Section 42-339 of Chapter 42, Part 33 of the Albany City Code requires that “the Government Law Center . . . provide, to CPRB members, and the members . . . undergo continuing education . . .”

During the third quarter of 2010, Board member Akosua Yeboah and GLC Coordinator for the Board Sharmaine Moseley successfully completed the APD’s Citizens’ Police Academy, which included a ride-along. The Academy was a fifteen (15) week course filled with a lot of information, insight, and hands on training in police relations.

In May 2010, Board members participated in a tour of the APD’s Communication Center located on Henry Johnson Boulevard.

OTHER

10th Year Anniversary of the CPRB

During the third quarter of 2010, the Board discussed plans for the upcoming 10th year anniversary of the CPRB. Some members of the Board and GLC staff met with City of Albany Corporation Counsel John Reilly to discuss thoughts and suggestions for the planned fall symposium.

NACOLE Conference

During the third quarter of 2010, the Board discussed the annual NACOLE Conference, scheduled for September 23, 2010, in Seattle, Washington. The Board suggested the possibility of someone from the police department attending, since the conference is a great opportunity for the APD to learn from other police departments around the country. Board members Akosua Yeboah, Marilyn Hammond, and GLC Coordinator for the Board Sharmaine Moseley will be attending this year’s conference. Attendance at the conference satisfies the Board’s ongoing training requirement under the City’s ordinance.
